**Continuing expenses, renewals:**

Expires: Renewal cost (2 yr)

Web Hosting:

catkillers.org Web Hosting \$7.99/month 4/26/15 \$191.76

Domain Name Registration:

catkillers.org Domain Name Registration \$14.99/year 4/28/16 \$29.98

longtrip.org Domain Name Registration \$14.99/year 10/1/15 \$29.98

Two year renewal costs: \$251.72

At current fund level, there is enough to fund eight + years of service

Donald M. Ricks, Webmaster

NOTE: This site contains the files of three separate units, and maintenance of the site is required for all three units. To separate the units and costs would require more operating costs, thus we save

by combining maintenance requirements. Suggestions are welcomed but financial support will be needed should these conditions elevate to a higher maintenance level. Don Ricks
