

AFTER REUNION REPORT – SUPPLEMENT 1

November 12, 2015

This report is a Supplement to the After Reunion Report –

First, The Reunion Committee needs to be recognized, again, for all their support, time and ideas, which contributed to making this reunion all the more successful. It was not easy and with the change in location from Panama City to Dothan, it added more time in emails, conference calls and travel time looking at hotels, Ft. Rucker, etc. A **BIG ‘Thanks’** to everyone below -

Dick Baker , 219th, Co-Chairman	Hiram Johnston , 18rd, 219th
Charlie Mingus , 183rd, Co-Chairman	John Ritz , 219th
Steve Butler , 219th, Co-Chairman	Sam Dawson , IBDA
David Haidle , 183rd	Marcus Mitchell , 183rd
Charlie Barnes , 219th	Don Vaughn , 199th
Rod Stewart , 183rd, 219th, 220th	Mike Medlin , FAA-O

Second, shown below is a summary of attendance and financial numbers from this reunion. By all measures it was very successful just based on the attendance. Coming the farthest distance was Jan Smith (219th & 220th) and sadly Tom Williams (183rd & 185th), who passed away just 2-weeks before the reunion, was coming from Vietnam. Many of you had to change other plans, sacrifice time to come versus doing something else, and some of you had to overcome health challenges to attend. Congratulations to all of you and your families for these efforts. To everyone who attended, it was a flood of memories, seeing old friends and making new relationships.

It is clearly labeled 11" x 17" with the frame maker's name *MainStay's*

If anyone took a video of the memorial dedication service please let me know. I need it for posting on the website. Also the local TV station WDHN broadcast a short segment about the dedication ceremony and BBQ afterward. NEED YOUR FEEDBACK

SPECIAL QUESTIONS FOR ALL BIRDDOG UNIT MEMBERS

TAKE SURVEY ON THE INTERNET

Go to <http://www.surveygizmo.com/s3/2428774/6b6e7c856f66>

QUESTION #1 - THE NEXT REUNION?

There is strong interest to organize another **All Birddog Unit Reunion** in either 2 or 3 years. There is also interest by several units to hold individual unit reunions next. These units have been actively holding their own reunions for many years, so there is a need for your feedback.

QUESTION #2 - BIRDDOG MEMORIAL REPLICA AIRCRAFT?

Much has been said and done regarding the Birddog Unit Memorial and the replica aircraft originally placed on the memorial top. The Memorial Committee did a great job planning and constructing the memorial but the model atop the memorial became controversial for how it represented the aircraft. During the recent dedication ceremony the aircraft replica was not present as it had been removed by Ft. Rucker who now has custodial control. In a survey taken last year and in general discussions at the reunion, the sentiment is overwhelming that the model must be replaced with one that accurately represents the Birddog in a more realistic presentation. To do this means working closely with Ft Rucker. This process has been started while planning the reunion. Accomplishing this task can be done in a timely thoughtful manner. If proper procedures are followed that show the majority of all donors to the memorial and other unit members agree with a replacement design, Ft. Rucker will support our decisions. We need your feedback.

To help with both these questions above, a **SPECIAL SURVEY** has been created on the Internet. This survey will be available for a limited time period of 30 days commencing November 12th-December 12th. The Survey link is <http://www.surveygizmo.com/s3/2428774/6b6e7c856f66> and can also be found on the L19Birddog.com website.

In summary, please go to the survey and answer the questions. Also, if you want a T-shirts, mugs or dedication programs, just email reunion@L19Birddog.com with your request and wait for a confirmation response that your order can be filled. Or, if you have any questions about this After Reunion Report and Supplement Report, please email me Bob Brewster at bob@219headhunters.com.
