Subject: Reunion Hotel Reservations Update & Key-Note Speaker for the Reunion

The initial number of blocked rooms at the Sheraton Hotel was 250. As of mid-April, the event planners are considering reducing the number to 215 rooms. Each registered reunion attendee should secure a hotel room reservation (if required) for the August Reunion; a separate action. Early reservation making at the Sheraton after registration with AFRI at the web-site will help the planners to make good decisions for the event attendees. All services members (Army, Air Force, Marines, and Allies) are encouraged to consider the Pentagon City Sheraton Hotel near Ft. Myer, Arlington, VA, as the HQ for the 17-19 AUG 2017 event

The event planners have invited MG Rudy Ostovich (previous Ft Rucker Commander) to be the key-note speaker for Sat night on the 19th. . .
