William O. Schmale
Major, Artillery
Commanding

The Unit Order of 6 June 1966 signed by Bill Schmale was done just prior to my arrival. Bill always included the Company Hq officers and anyone who was even near the action - OK - but the DA Circular (Order) notes only the 1st Platoon and a Detachment (from the 3rd Platoon - how many? who? - certainly not all noted...but whatever - there appear to be two copies of Unit Orders for this floating around...? See History Index 1966 - Overview) for the NUC action in 18-23 Aug 1965...?

The MFR that I left in May 1967 for the NUC for the 2nd Platoon and Hq pilots supporting Operation Prairie in July 1966 - was never awarded - because it was superseded by the award of the PUC which covered a longer period. - Gene Wilson
